Leemac

The best choice in range hoods

CH 8P 900MM

Finish: Stainless Steel
Motor: 1
Airflow: 1150 M3 phr
Lights: LED X 2
Filters: S/S Baffle x 3
Duct size : 150 mm

BH05 ISLAND HOOD

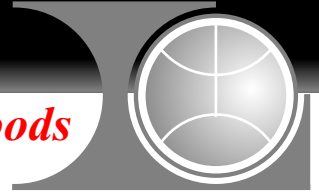

Finish: Stainless Steel
Motor: 2
Airflow: 2 x 1150 M3 phr
Lights: Halogen x 4
Filters: S/S Baffle x 4
Duct size: 2 x 150 mm
Dimensions: 1217 x 700mm
Max height: 1190mm

Leemac recommend licensed tradespeople to install this hood. It must be securely built into roof rafters and ducted to the atmosphere without a reduction in air volume.

Leemac

The best choice in range hoods
